White Ribbon	Advocacy	The White Ribbon Australia movement works through a primary prevention approach in communities, schools and workplaces across the country. Their site has information for schools and workplaces, as well as details on holding a White Ribbon event.	<a href="https://www.whiteribbon.org.au/Get-Involved/Campaigns-Events#">https://www.whiteribbon.org.au/Get-Involved/Campaigns-Events#</a>
Partners in Prevention	Network	Partners in Prevention (PiP) is a network of practitioners working across Victoria to prevent violence against women. PiP supports prevention practitioners to hone their practice skills, connect with one another and strengthen their knowledge of the evidence base around respectful relationships education and the primary prevention of violence against women.	<a href="https://www.partnersinprevention.org.au/about/">https://www.partnersinprevention.org.au/about/</a>
VIC Health	Health Promotion	The Victorian Health Promotion Foundation is a pioneer in health promotion – the process of enabling people to increase control over and improve their health. One of their focuses in primary prevention is gender equality to prevent family violence. They have also released the following documents for workplaces:  > Everyone’s business: A guide to developing workplace programs for the primary prevention of violence against women  > Preventing Violence Against women in the workplace – An evidence review: summary report	<a href="https://www.vichealth.vic.gov.au/our-work/gender-equality">https://www.vichealth.vic.gov.au/our-work/gender-equality</a>  <a href="#">Link</a>  <a href="#">Link</a>
Champions of Change – Coalition	Network	The Champions of Change Coalition is a globally recognised, innovative strategy for achieving gender equality, advancing more and diverse women in leadership, and building respectful and inclusive workplaces. In the strategy, men of power and influence step up beside women leaders. They form a high-profile Coalition to lead and be accountable for change on gender equality issues in their organisations and communities – be they local, national or global.  The work of the Coalition focuses on shifting the systems of gender inequality in the workplace and is backed by a proven methodology for increasing the representation of women in organisations and developing the conditions and cultures that enable them to thrive. Many of the actions developed and implemented as part of the strategy are now globally accepted standards for organisations wishing to become employers of choice for all.	<a href="https://championsofchangecoalition.org/reports-and-resources/">https://championsofchangecoalition.org/reports-and-resources/</a>
Jesuit Social Services The Men’s Project	Support Services	The Men’s Project aims to support boys and men to live respectful, accountable and fulfilling lives free from violence and other harmful behaviour through new approaches that improve men and boys wellbeing so that we see more good men, respectful relationships and safe communities.	<a href="https://jss.org.au/what-we-do/the-mens-project/">https://jss.org.au/what-we-do/the-mens-project/</a>
Rainbow Health Victoria	Guide	Pride in Prevention – a guide to primary prevention of family violence experienced by LGBTQI+ communities	<a href="https://www.latrobe.edu.au/_data/assets/pdf_file/0003/1141833/Pride-in-Prevention-Evidence-Guide.pdf">https://www.latrobe.edu.au/_data/assets/pdf_file/0003/1141833/Pride-in-Prevention-Evidence-Guide.pdf</a>
